

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

I am writing to let you know that I strongly oppose loosening the rules so that corporations can own even more of our media than they do now. I believe this is sneaky underhanded government against the people. Please we working people don't have much left of what the founding farthers gave us now. Please do not let this happen.
